About this trip

Steeped in culture, surrounded by lush greenery, Ireland is certainly a perfect destination for any soccer team, whether it be a youth team, academy, university, high school or even an ODP soccer team. Our custom tours are designed specifically for your team, allowing your group to experience not only a fantastic soccer tour experience, but also learn about the history and culture of our beautiful country. Dublin, Belfast, and Galway are just a few of our favorite destinations for visiting teams.

Your group will be able to immerse themselves in the history of Ireland and experience our sporting culture through attending the national amateur sport, the Gaelic Games. You will get to experience some of Ireland's original national sports first hand including Gaelic Football, Gaelic Hurling and Gaelic Handball, along with an evening full of traditional Irish dance, music and dinner.

We can assure the highest level of competition, quality training sessions, and exciting off-field activities such as sightseeing and stadium tours which are all included in your soccer tour of Ireland. Your team will train with some of the best coaches in all of Ireland, from clubs such as Shamrock Rovers, Bohemian FC, St. Patricks Athletic, the FAI (Football Association of Ireland), Glentoran FC, Linfield FC, IFA (Irish Football Association) and more.

The Emerald Isle is one of Europe's most prized jewels. It is ranked just outside the top 10 most "peaceful" nations in the world to visit, in comparison to USA which is ranked 121.
